

Player Tracker

Event Website and Organizational Software

Player Tracker websites are an online solution to the administrative headaches of managing a golf tournament. Build and update your own site, take individual and group registrations, make hole assignments, sell and recognize sponsorships and much, much more.

Take your tournament to the next level today!

Feature	Benefit
Create a fully functioning website in hours	Why pay an Internet company, or tie up your IT department to create a fully functioning website that you can manage yourself
Register Players online	Easy for your players to sign up, and pay
Sell and recognize sponsorships online	Don't waste time and money on mail, email or fax
Manage players and foursomes online	No more last minute "MS Excel" headaches
Many more benefits, see our full list of features on the back	

We offer three distinct service levels to meet every organizations' budget and needs.

Our **Standard Edition** includes one administrative log-in, up to 150 event participants, and eight pages in your custom website.

Our **Professional Edition** includes three unique administrative log-ins, up to 300 event participants, enhanced email management, and an unlimited number of pages and product sales in your custom website. Many of our Professional Edition clients will also use our Auction module to help organize their on-line, live and silent auctions, as part of their golf tournament or special event.

Our **Pledge Edition** is a complete web-based registration and pledge management system for events where golfers collect and track pledges. Our Pledge Edition allows you to multiply your fundraising resources, as each participant taps into their group of constituents to raise funds for your organization.

2010 Hope for Children

Hope for Children used Player Tracker to successfully manage all players and payments of their event, selling the event quickly and much more easily than they did the previous year.

Player Tracker - Standard

Please refer to the list of features below, to see which version is best for your needs.

We have developed and priced the Standard Edition and the Professional Edition to ensure they are accessible to all tournaments on an annual lease basis. The format is "Do-it-Yourself" with the user-friendly web wizard. If you don't have the time or would like something special, we'll give you a quote starting with a custom site banner!
